

Simplifying Cleanliness for Property Management Professionals

Spotsmith specialize in serving industries that we know well. This means tailoring products and services to meet the unique needs of property management professionals. It is about customizing the way we deliver these services for the ease of property management professionals.

We teach our employees more than just cleaning techniques. We teach them our business. They understand how our business works, and why we deliver services to property management professionals in a slightly different manner than other customers. The result is an unparalleled level of service and the most thorough cleaning for your client buildings.

Regularly cleaned buildings are perceived as well maintained. Residents of regularly clean buildings are much happier and are easier to serve. Clients hold property managers in higher esteem and are patient when more serious matters arise.

Family Owned & Operated

There is just something special about including in our work the people we most care about. That care translates into providing a superior level of service to our customers.

Spotsmith
Simplifying Cleanliness

Regular, periodic cleanings extend the life of carpets, upholstery, and floors.

Professional Outdoor Cushion Cleaning

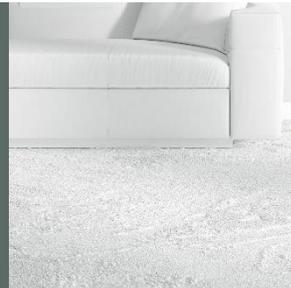

Creating clean, fresh, and healthy homes

Spotsmith provides lifecycle management of carpets, upholstery, and floors for property management professionals.

Clean fabrics like carpet provide the indoor environment with a natural health benefit. The fabric acts as a filter trapping dust, soil and other debris from the air.

Our programs are designed to prolong the life of carpets, upholstery, and floors by minimizing the impact of dirt build-up.

Spotsmith programs are based on industry standards from the Institute of Inspection Cleaning and Restoration Certification (IICRC).

Professional Carpet & Upholstery Cleaning

The most thorough and comprehensive cleaning for all fabric types and styles.

Professional Area Rug Cleaning

Expert immersion rug cleaning for oriental and other fine rugs.

Professional Hard Surface Cleaning

Specialist in wood floor, stone, tile & grout, and luxury vinyl tile (LVT) cleaning. Vinyl Composite Tile (VCT) Restoration.

IICRC Certified Firm

IICRC Certified Firms are known for their high level of technical experience and professionalism.
